

A close-up photograph of a blue cremation urn with a silver band around its neck and a matching silver band on its lid. The urn is positioned on the left side of the frame. To its right and in the foreground, there are several bright yellow roses with green leaves. The background is a soft, out-of-focus green, suggesting a garden or natural setting. The lighting is bright, creating highlights on the metallic bands and the petals of the roses.

# Heritage & Heritage Funerals Cremation Urns
